Reuse, Palatine Newly Elected Alderman Dies

Three Others Seriously Injured In Auto Accident Saturday

Louis T. Reuse, newly elected alderman at Palatine, received such severe injuries in an auto accident early Saturday morning that he died Sunday morning in the Palatine Community hospital.

Mrs. Louis Reuse, daughter-in-law of Mr. Reuse, was driving a Chevrolet car of which she lost control after two wheels had left the pavement. Her car suddenly shot across the road in the path of a Studebaker car owned and driven by Ed. Haemker, who was traveling toward Palatine. The latter was accompanied by Mrs. Haemker.

A head-on collision resulted, completely wrecking both cars and pinning occupants in the wreckage which fortunately did not catch fire.

Herbert Moehling was following the Reuse car and was at the scene almost immediately after the accident. He could do nothing alone as all four in the cars were unconscious, and he drove to Palatine, asking for an ambulance. Arriving at the scene, Mr. Reuse was placed in the Moehling car while the other three were taken in the ambulance to the Palatine Community hospital.

The extent of the injuries of the other three is not definitely known as Mrs. Reuse and Ed. Haemker are not yet in a condition to undergo X-rays. Mrs. Reuse has a number of fractures, including a fractured leg. Mr. Haemker has a badly injured left leg. Both have chest injuries and suffer considerable pain. Mrs. Haemker sustained multiple cuts and bruises and is doing very nicely.

The accident occurred on Route 50, 175 feet south of its intersection with Rohlfing rd., south of Kirchhoff rd. The Reuse car was traveling southward.

An inquest called at the Danielson funeral home Monday morning, was continued until May 25, at one o'clock in the Palatine village hall for the purpose of giving those injured an opportunity to recover sufficiently to testify.

Puffer Announces Winners of Town Spelling Contests

Noble J. Puffer, Cook County Superintendent of Schools, this week announced the winners of the township spelling contests held in the six divisions of Cook County under the supervision of his assistants.

Township winners in the territory served by the Paddock Publications are as follows:

Palatine: Julius Moberg and Evelyn Ness, Palatine, Dist. 19.

Elk Grove: Corinne Pauling, Arlington Heights, Dist. 56; Geraldine Nelson, Elk Grove, Dist. 59.

Haworth: LaVon Nesler, and Irene Schramm, Elk Grove, Dist. 45.

Schaumburg: Roger Meyer, Palatine R. 2, Dist. 51; Caroline Driphch, Roselle, Dist. 54.

Barrington: Audrey Nantz and Ethel Gilly, Barrington, Dist. 5.

Wheeling: Victoria Stano and Ethel Hugo, Arlington Heights, R. F. D., Dist. 20.

Northfield: Loretta Kufeldt, Northbrook R. F. D., Dist. 30; Marion Porter, Glenview, Dist. 33.

Niles: Bill Stokschick, Niles Center, Dist. 33; Patricia Dickinson, Niles Center, Dist. 68.

New Trier: Bernice Kutz, Northbrook, Dist. 37; Kathleen Klauke, Northbrook, Dist. 37.

Maine: Corinne Langguth, and Harvey Melhop, Des Plaines, Dist. 66; Elise Schreiber, River View, Dist. 65.

Leyden: Virginia Emer, River Grove, Dist. 55; Eleanor Schultz, River Road, Dist. 78; Marie Fiorini, Schiller Park, Dist. 81; Chester Kolke, Bensenville, Dist. 82; Lee Draper, Franklin Park, Dist. 84.

These township champions are awarded banners for their schools and badges which will admit them to the Cook county championship to be held this Saturday in Room 1122 of the County building, at 9:45 a. m.

The final contest will be conducted along lines similar to the township elimination. The first list of words will be taken from texts commonly used in the Cook county schools. A second list of more difficult words from spelling books will be given to those who survive and the final list will be taken from the Chicago daily newspapers.

Over ninety children are expected to take part in the final contest. Gold, silver and bronze medals will be awarded to the first three champions and banners will be presented to their schools.

The presentation of Cook county spelling awards will be made by Mr. Puffer over station WMAQ this Saturday afternoon at 2:00 o'clock. The broadcast will last from 2:00 until 2:30.

CARS SIDESWIPE ON RAND ELMHURST ROAD CROSSING

After stopping on the shoulder of Rand rd., George Johnson, cago, pulled back on the highway causing the car of Eugene Welfar, Elkhorn, Wis., to sideswipe him in a minor accident Saturday afternoon. The accident occurred 1/2 mile south of Palatine rd., and was witnessed by Philip Bohle, route 1, Palatine. No one was injured.

Children Say-- "who's afraid of a policeman?"

Speeding motorists and law breakers may not have any love for the Arlington Heights police force, but a reporter of the Herald discovered Tuesday that the police car and its uniformed occupants are heroes of a lot of little tots within the village. Chief Skoog was on an inspection tour of the village, with the reporter as passenger. There were many children at play in various sections of the village. There were very few of them who did not call a word of greeting or give a wave of their hand to police chief.

All of the greetings did not come from the children. The residents of the older sections of Arlington consider a policeman and the squad car as a matter of course, but not so in the newer subdivisions. The regular patrol of that car gives to these new residents a feeling of security and they do not hesitate to show their appreciation.

The reporter also learned that Arlington Heights has an unofficial greeter for newcomers. Every new resident of the village, whether he is moving into a \$17,000 home or a \$5,000 abode, receives a greeting call from Chief Skoog who acquaints him with the village regulations applying to homes, etc., and extends him a welcome from the police department.

Is it any wonder that grownups and the boys and girls of Scarsdale and the other new subdivisions say "Who's afraid of a policeman?"

Start Personal Property Assessments

The township assessors are again at work assessing personal property. With a tightening of the collection of personal property taxes it is more important that equitable figures be established. Individuals receiving blanks from the assessors should be prompt in filing them, ignoring of the blanks will mean the assessing of arbitrary figures and penalties.

Wheeling Township: J. Fred Meyer has established an office in the Flentie-Behre office, which will be open from May 1 to May 13. Office hours will be from 8:00 to 5:00 daily and Wednesday and Saturday evenings from 6 to 8. Office hours in the village of Wheeling will be at Wheeling State Bank on April 27 from 8 to 12; April 28, from 8 to 12 and 1 to 3; April 29 from 8 to 12 and evening from 6 to 8.

Mr. Otto Busse is the assessor for Elk Grove township. He resides on Busse rd., near Oakton but for the convenience of taxpayers he will be at the Village hall in Mount Prospect from April 29 to May 6 inclusive between the hours of 9 a. m. to 4:30 p. m. and on the Saturdays, April 29 and May 6, from 9:00 a. m. to 8:00 p. m. Mr. Busse will be glad to assist property owners fill out their schedules and make affidavit and there is no charge for this assistance.

Cream Harbor Ready Saturday To Welcome "Shipmates"

There has been a lot going on around the former Rowdewald ice cream parlor and you would not know the place. It merits its new name, "Cream Harbor." The finishing touches in nautical decorations are still to be done, but all of the equipment is in place and by Saturday, the proprietors expect to have all departments in operation.

The new ice cream making machine was tried out this week. Facilities for light lunches will be ready by Friday. The new fountain makes a man thirsty no matter how cool the outside temperature. We will not tell you any more about it. Just drop in and see for yourself.

M. E. Church Opens Loyalty Campaign

Under the direction of Rev. Reuben Schellhase, the Methodist church of Arlington Heights will open a four-week loyalty campaign beginning this coming Sunday.

This Sunday will be Roll Call day and appropriate names have been chosen for the other three.

Leaders are canvassing the entire membership of the congregation as well as all recent comers who have shown an interest in the church.

With the stirring effects of the Easter season still being felt, it is expected that the program of meetings will give church attendance a permanent boost.

Enthusiasm for the program has been expressed by Methodists of all walks of life.

CARS COLLIDE AT RAND
ELMHURST ROAD CROSSING
Auto of Mrs. A. C. Johnson, route 1, Barrington, and J. P. Bretsnyder, Chicago, collided at the intersection of Rand and Elmhurst rds., Sunday afternoon. Bretsnyder claims that he had stopped for the crossing and had started up when Mrs. Johnson drove into him. No one was injured.

Business Men Plan Celebration For July Fourth

Association Votes To Pass Up Pageant For The Time Being

Recollecting one of the biggest days in the history of Arlington Heights ten years ago when the community put over a successful all day picnic and fireworks display with many dollars to spare, the advisory council of the Trade and Civic association enthusiastically endorsed a similar celebration on the Fourth of July of this year.

A parade in the morning, a concert in the afternoon and a fireworks display in the evening may be worked out by the committee appointed by Henry Mueller, president of the association. It has been suggested that the day be filled out with events for the children, foot and swimming races, tennis matches, dancing, and other entertainment features.

The business men met in a special meeting at the village hall Monday evening which was called to hear the opinions of other organizations on the proposed centennial celebration. The two or three day affair, ending with an historical pageant, was brought up two weeks ago and turned over to clubs and societies for consideration. Their reports indicated approval of the plan and included a promise to help.

"Haste makes waste," the business men felt, and they voted down their original plan to hold it over the fourth, and instead, scheduled it for the fall when there would be ample time to prepare an adequate history of the community for the pageant at a more reasonable figure than that estimated by a representative of the John B. Rogers company of Ohio at the last meeting.

A committee has been appointed to "start things going." Anyone who has material or "recollections" that may help in gathering a complete history of the village will be welcomed by the committee.

Water Users Asked To Have Patience

Workmen are repainting the interior of the water tower which lessens the water pressure when large quantities of water are being used. The water department asks that the consumers exercise a little patience. Within a few days, the painting will be completed and everything will be "jake" for another four years.

It has been a long time since Arlington Heights water consumers have had any reason to complain about their water supply.

Quick Work of Mother Saves Children From Mad Dog Danger

Mrs. Pfundstein, Jr., 512 West Campbell, did some quick thinking and acting Tuesday afternoon when she discovered the strange behavior of a neighborhood dog. She called all of the children of the vicinity who were at play into her fenced yard and then notified the police. A call over the radio brought Chief Skoog quickly to the scene. The animal gave every sign of being dangerous in his mad condition and two minutes later the carcass was in the village crematory.

Mr. and Mrs. Schwartz Move To New Home Here

Mr. and Mrs. N. E. Schwartz of Rogers Park are now residents of Arlington Heights, occupying their new home at 635 S. Pine ave. One of the first acts of Mr. Schwartz after arrival here was to subscribe for the Arlington Heights Herald, when he stated, "I purchased a home in Scarsdale as a result of an inspection trip of the kindergarten class when Mr. Baker accompanied the little tots to that subdivision. I believe that no other Chicago suburb has a brighter future and I know that I am going to enjoy my association with its citizens."

Mr. Schwartz was formerly a school principal and is engaged in the school supply business.

Annual Spring Festival Of Eastern Star Chapter Saturday Evening

Saturday, April 29 is the date for the annual spring festival of the Arlington Heights Chapter No. 992, Order of Eastern Star. The place is Presbyterian Parish hall, Arlington Heights. There will be a crowd of one evening a multitude of attractions and entertainment. In addition to the usual carnival attractions there will be booths for the sale of fancy goods, candy, homemade bakery goods, etc. Admission is only 10c. You can have a good time with the expenditure of very little more. It will be a gay evening for anybody and everybody.

CHARGE RECKLESS DRIVING
Fred Kurz, route 2, Bensenville, was charged with reckless driving Saturday in a warrant served by Charles Propp, 1616 Maple side ave., Chicago, as the result of a recent accident in which Kurz was involved.

Anniversary of Emigration Recalled In Special Services

St. Peter's Evangelical Joins 4,000 Churches In Celebration

Members of St. Peter's Evangelical Lutheran church of Arlington Heights are joining 4,000 Missouri synod churches of the United States Sunday morning in commemorating the Centennial of the Saxon Emigration. The arrival in Missouri of 680 German Lutherans, who had been persecuted for their beliefs, was the beginning of the Missouri Synod now numbering a million and a half baptized members.

Special services will be held in German at 9:30 a. m. and in English at 11 a. m. Memorial hymns, written especially for the anniversary, will be sung by the congregation. Pastors C. M. Noack and H. C. Fricke are preaching anniversary sermons, emphasizing the significance of the saxon emigration. The choir will present special anniversary anthems.

One of the objectives of the centennial is the gathering of a synodwide thankoffering which will be devoted chiefly to removing the deficit in the treasury of the church body. St. Peter's church has resolved to participate in this effort. Sunday afternoon, 110 men and women members will visit all homes of the congregation and gather subscription to the centennial fund. Each communicant member will receive four envelopes to pay his pledge in four consecutive installments.

The arrangements for the local observance are in the hands of St. Peter's centennial committee of which Rev. Fricke is the chairman. Other members of the committee are Messrs. Frank Colba, Henry Schroeder, Henry Hansing, Walter Kroeber and Ottomar Kolb.

Under the guidance of the centennial committee the solicitors of the centennial thankoffering will meet Friday, 7:30 p. m. in the school auditorium to receive instruction and inspiration for their task. Before proceeding to their respective territories on Sunday afternoon this group of workers will assemble in church at 1:15 p. m. and hold a brief service of consecration. Members of the congregation are requested to facilitate the work of the solicitors by remaining at home till they are visited. Those not at home Sunday afternoon will be seen during the week.

Daylight Saving Time Arrives Sunday

Sunday morning, April 30, is the date for again setting all clocks ahead one hour. The church bells will ring on the new schedule and even if you plan to stay in bed all day Sunday, you must get up an hour earlier Monday morning if you want to catch your regular train to the city.

Herman Lampe Leaves Mt. Prospect; Will Reside At Marengo

Mr. and Mrs. Herman Lampe, after residing in Mt. Prospect sixteen years, have sold their place at 114 South Maple and have purchased a home at Marengo, Ill., where they moved this week. Mr. Prospect will be sorry to see Mr. and Mrs. Lampe leave, and he has only the fondest memories of his years he spent in Mt. Prospect. "I want to thank," states Mr. Lampe, "all those with whom I came in contact during my residence here and I will be glad to have any of my friends call on me at my new home, if they happen to be near Marengo."

Fine Costs Of \$7.00 Raises Cost of State Vehicle Licenses

The state police have been doing a lot of business the past week by arrest of car owners who have failed to purchase their 1939 license plates. The fines inflicted have been \$5 and costs, several dollars all. There are also required to purchase new license plates within 24 hours.

Local Police Also Busy
The Arlington Heights police will start a campaign Monday against all local residents who have not procured their 1939 vehicle tags. Several warnings have previously been issued and tickets will be issued beginning May 1.

Arlington High School Typists Win Honors At District Meet

Beginners in the typing classes of Arlington Heights high school made excellent showings April 15 at the district commercial contest held at Dundee township high school. A team, composed of Ruth Schwolow, Naomi Smart and Ruth Karstens won second place and is entitled to advance to the sectional tournament to be held May 6 at Dundee.

Ruth Karstens won third place in individual beginning typing. Instructors in this department are Miss Helen M. Meier and Darrell Diggins.

CHARGE RECKLESS DRIVING
Fred Kurz, route 2, Bensenville, was charged with reckless driving Saturday in a warrant served by Charles Propp, 1616 Maple side ave., Chicago, as the result of a recent accident in which Kurz was involved.

St. Peter's Ev. Luth. Church, Arlington Heights, Ill., list of canvassers for the Centennial Thankoffering:

Mr. Roy Albright.
Mr. Edwin Behrens.

Mr. Henry Weide.
Mr. Ernst Weinrich.
Mr. and Mrs. Weinrich.
Mr. Richard Wilke.
Mr. Fred Willie.

Judge Weber To Issue Summons Next Week

Judge Weber reports that many delinquent tax payers are not waiting for service of summons by constable, but are calling at his office in Arlington Heights and voluntarily settling their delinquent personal property tax bills.

The first batch of suits was started this week by service of summons on residents of Hanover township. Service on Elk Grove and Wheeling residents will start after May 1. Judge Weber is handling delinquencies for 1936 and previous years. Action on 1937 delinquencies will start in about ten days.

A voluntary call at the office of Judge Weber will save additional court costs, which in all cases must be added to settlement figures after a suit has actually been entered.

Patrol Boys Enjoy Visit To Museum

Everyone of the forty boys who visited the Museum last Wednesday as guests of the Arlington Heights police department, spent an afternoon that will be long remembered by them. Clifford Gregg, director of the museum, is a former Park Ridge resident and member of the Northwest Boy Scout Council. He is a personal friend of Supt. Baker who arranged for the personal conducted tour about the museum under the direction of a capable guide who lectured on the various exhibits that were inspected. The boys were especially interested in the mummies.

Thanks Police For Activity vs. Unlighted Bikes

The Arlington squad car headed a cavalcade of bikes Tuesday evening on its way to the police station. Warnings appearing in this paper that bikes without lights are dangerous at night had been disregarded by the bike owners. Evidently the summer evening was too enticing.

Among the boys and girls who were taken to the station was the son of a public official, who when informed of the incident, complimented the police, saying, "I nearly ran down a bike rider this evening."

Golf Clubs Robbed On The Same Day

The club house of the Old Orchard golf course, Euclid and Rand roads, was burglarized last Saturday, the night before a crew of men held up the Twin Orchard golf club, Bryn Mawr and Wolf rd., Sunday. Seventeen clubs, 25 boxes of golf balls, a set of tools, and slot machines were reported taken at the Rand rd. golf club. Six men held up the manager of Twin Orchard and confiscated slot machines at the southern club. Sheriff's highway police have descriptions of some of the men and are making an investigation.

8th Grade Parents Attend Open House at H. S.

Nearly 200 parents of the pupils of all 8th grade classes in the Arlington Heights township high school district attended the open house held Wednesday evening at that school.

The program opened with a concert, followed by a talk by Principal A. M. Conger, who outlined the subjects that will be available to the members of the incoming freshman class, and the requirements for entrance. Coach John Grose gave a talk on athletics and Donald Costain spoke about the music department.

Teachers who handle the freshmen subjects were on hand to answer any inquiries regarding their several departments. All parts of the building were open for inspection.

Personal invitations to the event, accompanied by a registration card were previously sent to the home of each 8th grade pupil.

As the end of the school term draws near there are an increasing number of special events at the Arlington Heights high school. A sound film, "Ladies of the Lake," comprised the assembly program Tuesday afternoon. The freshmen class had just completed a study of "Ladies of the Lake."

The Home Economics club entertained their mothers Thursday.

The spring concert occurs Friday evening, of which notice appears in another column.

The last event to be held in the present gym will be the junior prom to be held May 6. The gym will be turned over to the building contractors the following Monday.

Mr. Conger has completed the registration for next year of the three upper classes. Registration cards for the freshmen class are expected to be received through the teachers of the eighth grade classes.

Flip of Coin Re-elects Dist. 13 School Official

N. Kells was declared re-elected a member of the board of directors of school district 13, Palatine township, Friday night when a coin was flipped to settle an election tie in that district. David Talbot and Mr. Kells each received 62 votes at the district election two weeks ago.

At the organization meeting of the district 13 board, which followed the flipping of the coin, Mr. Kells was elected president.

While no official statement has been issued by the school board of that district, it is understood that plans for either consolidation or transfer of upper grade pupils to Palatine elementary school have been dropped. There was an enrollment of 43 last October, which has now dropped to 31. "We will not know until after the school census," states Mr. Kells, "what the probable enrollment will be next fall. In the mean time we will make no plans."

District 13 adjoins Quentin rd., northwest of Palatine in the center of a new realty development. It is served by a one room brick school, taught by Miss Henrietta Kiehm, who receives \$135 a month. The school building was modernized a year ago. The 1938 tax rate was \$1.07.

Fredrichs Band To Celebrate Eighth Anniversary

An interesting event which gives promise of providing devotees of the dance with another evening of social entertainment, is scheduled for this Saturday night, at the Arlington ballroom.

This gala occasion is sponsored by Earl Fredrichs and his orchestra. It marks the eighth anniversary of the band and, in keeping with pre-arranged plans, is destined to eclipse all previous efforts on the part of this popular musical organization.

Each lady and gentleman in attendance will be presented with a souvenir of the occasion.

Thanks Police For Activity vs. Unlighted Bikes

The Arlington squad car headed a cavalcade of bikes Tuesday evening on its way to the police station. Warnings appearing in this paper that bikes without lights are dangerous at night had been disregarded by the bike owners. Evidently the summer evening was too enticing.

Among the boys and girls who were taken to the station was the son of a public official, who when informed of the incident, complimented the police, saying, "I nearly ran down a bike rider this evening."

Golf Clubs Robbed On The Same Day

The club house of the Old Orchard golf course, Euclid and Rand roads, was burglarized last Saturday, the night before a crew of men held up the Twin Orchard golf club, Bryn Mawr and Wolf rd., Sunday. Seventeen clubs, 25 boxes of golf balls, a set of tools, and slot machines were reported taken at the Rand rd. golf club. Six men held up the manager of Twin Orchard and confiscated slot machines at the southern club. Sheriff's highway police have descriptions of some of the men and are making an investigation.

Collectors Close Books; Tax Must Be Paid in City

The township collectors are closing their offices this week and returning their books to the office of the county collector in the County building, Chicago.

All first installment taxes must be paid to the county collector after the local offices close.

Cashiers checks, certified checks or money orders should be sent to the county collectors in payment of taxes as the county collector will not accept personal checks.

Considerable confusion was caused the year by the delay in sending out the tax bills and the advancing of the penalty date to June 1.

The town collectors have done the best they could and they are all grateful to the taxpayers who cooperated with them by paying their taxes at home.

The local collectors offices will re-open in August for the collection of the second installment, the penalty date on which is September 1.

Freight House Plot Unfolds

They are "patriots" in the eyes of citizens of Arlington Heights, but they are downright "savages" to the freight house whose ears might have been burning during the Monday special meeting of the city's Trade and Civic association.

The business men plotted and shook with vengeance almost as much as the 49 year old building shook with tons of cement in its bosom last summer during the construction of Foundry road.

"No respect for your elders," might have said the railroad freight depot to the younger members of the association who applauded George Schaeffer's (conspirator No. 1) report that the Chicago and North Western has agreed to the plans for a new building with minor modifications.

The question of a location has yet to be definitely decided, but the doom of the old freight house may well be expected in a few short weeks, provided that no "superior governor" of the railroad company "grants a pardon."

With an official OK, the business men will be hunting for schemes to raise money to duplicate the freight depot with a new, smaller depot in an out of the way spot. The cost of the present plan is between 1200 and 1500 dollars after deducting labor and supplies that have already been offered for the structure.

Six Pass First Aid Exam. For Arlington Fire, Police Departments

An official course of ten lessons in first aid conducted by The American Red Cross for members of the fire and police departments of Arlington Heights, was completed and examinations were held recently.

Dr. E. T. Best who conducted the class, has announced that those completing the course were as follows: Marvin Rodewald, Leonard J. Rodewald, Frank E. John, Walter W. Duenn, Edwin E. Guenther, Ira Melbourne.

Fourteen Boys To Receive Boy Scout Awards At Court of Honor

Fourteen Arlington Heights scouts were examined and passed for awards by the local board of review at the north school April 24. They will receive the awards at a Court of Honor to be held at Des Plaines Friday evening, April 28 at 8:00 o'clock.

The general public as well as the parents and friends of Scouting are cordially invited to attend the Council-wide Court of Honor of the Northwest Suburban Council.

The Court of Honor is the occasion of presenting the advancement awards which the Scouts have earned and is an impressive ceremony of recognition of the accomplishments of the Scouts.

The Troops will take their places at 7:45 and the Court of Honor session will open at eight o'clock.

Troop 7
Bittner, Robert, First Class; Worman, Donald, First Aid Merit Badge, Personal Health Merit Badge, Safety Merit Badge, Civics Merit Badge; Jarvis, Tom, First Aid Merit Badge; Miles, W. A. II, Horsemanship Merit Badge; Russell, Norman, Woodwork Merit Badge, Safety Merit Badge; Thorsen, Elmer, First Aid to Animals Merit; Knaack, Lawrence, First Aid Merit Badge, Metal Working Merit Badge; Smith, Ralph, First Aid to Animals Merit; Coleman, Tom, Reading Merit Badge, Music Merit Badge, Woodwork Merit Badge; Smith, Ralph A., Star; Jarvis, Tom, Star; Thorsen, Elmer, Star.

Troop Five
Smart, Harry, Pathfinding Merit Badge, Star.

WISCONSIN FISHING
LICENSES AVAILABLE
AT C. & N. W. STATIONS

If you are one of those who enjoy fishing in Wisconsin, you can now obtain your Wisconsin fishing licenses at the Arlington Heights station of the Chicago & Northwestern railroad. This service is given for the accommodation of the local people.

County highway authorities are investigating a report of cattle missing at the Graham Farm, near Roselle. Four heifers and two Holstein cows were believed to have been stolen last Friday night.

Klehm May Be Named Next Supervisor

Office of C. F. Grandt Declared Vacant; Board Meets Friday

Health permitting, Gilbert Klehm may be the next supervisor of Wheeling township.

Following the sudden departure of Chas. F. Grandt, Wheeling supervisor, and the surrender of his office ten days earlier, the town board of auditors, meeting with the citizens committee Monday night, passed a resolution, declaring the office of supervisor vacant. The resolution reads:

Whereas the Board of Town Auditors heretofore directed the Town Clerk to make a demand on the Supervisor, Charles F. Grandt, to account for certain funds; and,

Whereas said Town Clerk has made such demand on said Supervisor, but said Supervisor has not made any accounting pursuant to such demand, although he has had ample time to do so; and,

Whereas it appears that said Supervisor has carried the Town Funds in his personal account and commingled them with his own funds; and,

Whereas said Supervisor did on or about the 13th day of April, A. D. 1939, absent himself from his office and residence and has not communicated with his said office or residence since said time, and has failed to perform any of the duties of his office since that date, and has abandoned his said office as Supervisor and as ex officio Overseer of the Poor, and has by reason of the foregoing matters forfeited his said office; now, therefore,

Be It Resolved that the Office of Supervisor of Wheeling Township be and the same is hereby declared vacant and subject to be filled according to the provisions of law relating to the filling of vacancies in township offices.

Due to technical reasons, the board could not act

Mass Lutheran Centennial Celebration At York High School, Elmhurst

Sunday afternoon, May 7 at 3 o'clock, a mass Lutheran celebration of the Immigration Centennial of the Founders of the Lutheran Synod, Missouri, Ohio and other states will be held in the auditorium of the York community high school, Elmhurst.

This Lutheran synod, which today has a membership of approximately one and a third million souls had its beginning in the immigration of the small but courageous group of men and women, 665 in number, who left their homeland and came to this country in the year 1839, because they were unable to worship in their homeland according to the Lutheran faith and the dictates of their conscience. They came to the United States of America because it guaranteed them their religious liberty.

The centennial of this immigration is being commemorated and celebrated on a nation wide scale.

All Lutheran churches affiliated with the Missouri synod are commemorating the centennial in their own local parish and also uniting with one another of the immediate vicinity in a large mass celebration. In the local area, Elmhurst and vicinity, approximately ten congregations will unite in the great mass centennial celebration to be held on the above mentioned date.

The committee has engaged Dr. O. C. Grohler, president of the Valparaiso University, for the speaker of the occasion. A chorus of more than 150 voices will enhance and beautify the centennial service with the rendition of appropriate anthems.

WALKS IN FRONT OF CARB CRITICALLY HURT

Robert Gill, Chicago, is in critical condition as the result of stepping into the path of an automobile driving south on Milwaukee ave., near Golf rd., Saturday morning. Mrs. J. H. Hogan, Chicago, was the driver. Gill received a skull fracture and a broken leg.

ARLINGTON HEIGHTS HARMONICA CLUB

CHURCHES

THE FIRST METHODIST CHURCH

of Arlington Heights, Illinois

Sunday Services
10:00 a. m. Church school under the supervision of Superintendent M. W. Prellberg, assistant superintendent J. Everett, and an efficient staff of officials and instructors. We are aiming at 177 scholars in regular attendance; come,

Front Row—Velma Heideman, Allen Griffith, Arlene Meyer, Barbara Barrett, Margaret Platt, Betty Coy, Tommy Griffith, Lorraine Heidman.
Center Bottom — Jimmy Lee Byrd, Mascot.

and don't keep us from attaining this goal, but help us reach it.

11:00 a. m. Roll Call—Sunday service, we are expecting 150 people to be present at this service. Don't miss this wonderful service and our entire Loyalty month for your own spiritual health. Choir director Everett announces a special anthem; Mrs. Ralph H. Manly, organist, will bring beautiful selections at the Geneva organ; the sermon: "God's Call to the Church" will challenge you—Come!

Calendar
Thursday, April 27, at 8 p. m., in the gymnasium, the Epworth League players will present a three-act comedy, entitled "A Southern Cinderella." Admission 35c and 15c. Come! Help our young people and have a good time, too!

Thursday, April 27, is your last opportunity to telephone your reservation for the "Mother and Daughter's banquet" to be held May 3. Call 366-W.

Friday, April 28, at 8 p. m., choir practice.

Monday, May 1, at 8 p. m., the Cornelia Society will have a regular meeting. Call 357 for further information.

Tuesday, May 2, at 8 p. m., the official board and Loyalty Crusade executive committee will meet in the club room for a special meeting.

Back Row—Jerry Coy, Esther Stockel, Hilda Stockel, Gertrude Mierisch, Elsie Stier, Katherine Hines, Janice Taylor, Mrs. Homer J. Byrd.

Betty Grose, also a member of the group, was not present when the photograph was taken.

Wednesday, May 3, at 6:30 p. m., in the gymnasium, "The Mother and Daughters' banquet" will convene. A fine dinner and program are in preparation; tickets 35c. During Loyalty month let's all strive to give each Sunday morning to the church and to cooperate completely in the work at hand. Let nothing be of greater concern than the destiny of our church.

Resurrection service, Saturday, 7:45 p. m.

CHRISTIAN SCIENCE CHURCHES

"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 23.

The Golden Text was, "Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me" (Psalms 23:4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. For to be carnally minded is death; but to be spiritually minded is life and peace" (Romans 8:5, 6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Life is deathless. Life is the origin and ultimate of man, never attainable through death, but gained by walking in the pathway of Truth both before and after that which is called death" (p. 487).

Merle Guild Post 208 American Legion

Preamble to the Constitution

For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent. Americanism; to preserve the memories and incidents of our association in the Great War; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness.

Merle Guild Post held their regular meeting Tuesday evening, April 25, and there were present the members of the Auxiliary and some thirty or more Legionnaires.

After the regular meeting Mr. Heller of Des Plaines and a Past Commander of this Post exhibited five reels of World War pictures.

which typified the hardships of actual combat.

Comrade Frank Hartigan, chairman of the Ninth District Child Welfare committee was present and gave a fine talk on the activities of the Child Welfare committee, which was very interesting.

Committee meetings are being held to insure the success of our Carnival to be held in July; further announcement will be made from time to time.

If you know of some comrade who desires to become a real Legionnaire call 284 or 294 and he will be taken care of quickly.

There is Real American pride in an American Legion membership.

The next meeting will be held May 9 and all comrades should make it a point to be out at that meeting.

Our Post will be host to the Ninth District meeting on May 31 at the Recreation Park Field House.

An Uncle Eben Saying

"I sing when my heart rejoices," said Uncle Eben, "an' den I hushes up, realizin' dat my happiness ain't no excuse foh makin' my friends miserable."

Called Northern Mockingbird because of the high quality of his song, the brown thrasher is sometimes called the northern mockingbird.

Hedges

CALIFORNIA Privet will make a strong thick hedge if the top is not allowed to run wild. Set the plants one foot apart in a trench deep enough to allow planting the crowns a little below the surface of the soil. Tread the soil firmly around the plants. Bone Meal mixed in the soil at planting time will help the plants to grow strongly. Use 25 lbs. to every 100 ft. of trench.

AFTER PLANTING, cut the plants back to ten inches from the ground, and don't let them grow higher than two feet during the first season.

JAPANESE Barberry with its pretty red berries, and red tinted foliage in the fall, makes a beautiful thorn studded hedge that will affectively keep animals off your property.

THE PLANTS should be set one foot apart if a thick hedge is desired. The plants will normally grow 3 1/2 feet high. Pruning is not necessary, but it may be done if a formal hedge is desired.

ROSA RUGOSA is the rose generally used to make hedges. The plants grow four feet high, and do not need pruning, although they will benefit from a severe cutting back every few years. This rose is not fussy about soil or location. It will grow in the hot, dry soil of the seashore, yet it is equally at home in the partial shade of trees. Set the plants two feet apart.

TEMPORARY hedges of the taller annual flowers make a pretty and effective screen. The best annuals for such purpose are—Balsam, Four o'clock, Kochia (Summer Cypress), and Sunflowers.

HOLLYWOOD STARS ON OLD U. P. TRAIN

The glamour of Hollywood and the romance of the 1890s will roll into Chicago on Saturday, April 29, when the Union Pacific exhibition train, depicting the most modern locomotives and one of the vintage of 1865, will tie up in the Chicago & North Western station at Madison and Canal sts. and remain over Sunday, April 30, for the public's gaze. The train is on a tour of the country, which began at Los Angeles and will finish there after having gone as far east as New York and then back through the Ohio River valley.

On exhibition in the North Western station will be a train consisting of old No. 58, a Union Pacific wood burning locomotive of 1865; two steam electric locomotives, the latest Union Pacific motive power; and five old time cars of the same date as the locomotive No. 58.

On board in costume of the period when the Union Pacific was built—1869—will be a galaxy of Hollywood stars who participated in the new picture, "Union Pacific," which is to have its first showing in Chicago on May 5. The premiere of the picture will be held in Omaha on the night of April 28. The stars on the train come to Chicago are Lynn Overman, Sheila Darcy, Betty Grable and Lloyd Nolan. In addition to these there will be several Hollywood beauties who played minor roles in the railroad picture.

The train will reach Chicago at 5 p. m. on Saturday, April 29. It will be on exhibition until 7 in the evening. On Sunday, April 30, it will be again on exhibition from 10 a. m. until 7 p. m., after which it will move to Detroit.

On arrival in Chicago the movie folks will detain and be whisked through the loop in an old Chicago & North Western passenger coach, drawn by a replica of the Pioneer, first North Western locomotive.

A feature of the arrival of the exhibition train will be a candid camera contest conducted by Paramount Pictures, a trip to Hollywood and a new camera being the prize.

Ointment Caused Gray Hair
Aristotle attributed a good deal of gray hair in his day to the Greek custom of applying perfumed and spiced ointment—very drying—to the hair at banquets.

Compelled to Eat Rats
The sufferings of the Parisians during the siege of 1872 were beyond belief. Dogs, cats and rats were eaten, and rats were sold for as high as 60 cents apiece.

Miners Died of Disease
During one year of the California gold strike in 1849, 10,000 men died of various diseases caused by lack of food, shelter and medical supplies.

News from Springfield...

by BERNICE T. VAN DER VRIES
Representative 7th District
General Assembly of Illinois

Your Life and Bills

A few weeks ago I published the diary of two days in the life of an Illinois legislator. This week I am giving my readers an imaginary day in the life of Mr. and Mrs. Illinois

Citizen and their family based upon the bills which have been introduced thus far in the 61st Session of the General Assembly for the purpose of showing the variety and scope of the approximately 1,200 bills now before us.

Mr. and Mrs. Citizen live in a home sold them by real estate bro-

kers licensed by Senate Bill No. 367, planned by architects licensed by S. B. No. 161, plumbing installed under House Bill No. 703, plastered and stuccoed by H. B. 672, painted by painters regulated by H. B. 229, landscaped by H. B. 126 with seeds for grass and flowers under H. B. 578.

Touchez Broad Field

Mr. and Mrs. Citizen and their children whose births are recorded by provisions of H. B. 614 or who may be adopted by H. B. 744 or H. B. 17 are awakened by clocks regulated by horologists licensed by H. B. 34. They attire themselves in clothes cleaned under provisions of H. B. 348, let out the family dog H. B. 665, H. B. 424, S. B. 75 and S. B. 10, and bring in the newspapers, H. B. 212, 213, 214, 215, 216, 217, 218, 219, and 137.

Our family is summoned to breakfast by the maid whose wages are established by minimum wage bill for domestics in S. B. 243 and H. B. 302. A hearty breakfast is served consisting of apples H. B. 634 or canned or preserved fruit H. B. 366, eggs H. B. 760 and H. B. 407, meat H. B. 41, milk and cream S. B. 378, S. B. 379, S. B. 80-81-82, H. B. 673-684-747, and butter or its substitutes in oleomargarine H. B. 541. Perhaps some of the food has been fried in lard substitutes regulated by H. B. 613.

Meet "Bill" Everywhere

After breakfast the head of the household departs for his office in a motor car equipped with anti-skid equipment and devices to remove frost, steam and ice from the windshield H. B. 705. He must have a driver's license H. B. 652. Arriving at his office by elevator H. B. 692 he is greeted by license regulations if he is an insurance agent S. B. 357, lawyer, 356, chiroprapist, dentist, S. B. 362, pharmacist S. B. 363, optometrist S. B. 364, physician S. B. 365, architect S. B. 366, real estate broker S. B. 367 or barber S. B. 370. If he is a manufacturer or retailer he is confronted with wages and hours regulations H. B. 531 or antispy restrictions H. B. 54. He puts on his glasses to read the laws and finds the glasses regulated by S. B. 148.

School Children Don't Miss

In the meantime the children have departed for school. They assemble in the various rooms each one of which must have on display an American flag not less than eleven by eighteen inches in size H. B. 173. They are greeted by teachers with minimum wages fixed by S. B. 102 and H. B. 239, with pensions provided by S. B. 205-206 and H. B. 499-500. The pupils may have been transported to school by S. B. 66 and H. B. 293. The school will be well financed by state aid provided in H. B. 539 or not so well provided for in H. B. 247. (Altogether there are about forty bills on school subjects now introduced.)

The mother in the home of Mr. and Mrs. Citizen goes to market. If she shops at a chain store she may find it licensed and regulated by S. B. 141 and 152 or H. B. 271, 280 and 588. She goes to the beauty shop which is taken care of in S. B. 286 and S. B. 368 and H. B. 778, H. B. 663 and H. B. 78. She may visit in behalf of her family's health the physician S. B. 241, S. B. 365, H. B. 612, the osteopath H. B. 293, the chiropractor H. B. 282, H. B. 577, the naturopath H. B. 327 or the dentist S. B. 337, S. B. 363 and H. B. 712.

In field of sports

In summer the family attend the races S. B. 181, S. B. 60. In winter the hockey games may draw their attendance H. B. 331. They may purchase chewing gum from vendors taxed by S. B. 149.

Our Illinois family may be able in words of slang "to take" all of the regulations set forth in the various measures presented to the legislature but in case they cannot survive they may be properly embalmed for burial H. B. 659 by funeral directors with educational requirements specified by H. B. 502 with notice of death duly recorded by funeral directors in H. B. 581.

I have not been able to mention every activity in this recital of family life. There are many bills in the General Assembly on the subject of crime in case our family on the subject of motor traffic, industry and labor, all touching closely the average citizen. On all of the subjects which I have mentioned by number of bill or by inference your representatives will be able to give information if desired.

Obituaries

Mrs. Gustave Grimm

Mrs. Gustave Grimm passed away at her home in Mt. Prospect early Sunday morning at the age of 70 years.

Amelia Birkholtz was born November 20, 1869 in Falkenhagen, Germany. After coming to this country she married Gustave Grimm and they settled on a farm in Jefferson Park. In 1920 they moved to a farm in Mt. Prospect. Six children were born of this union.

Left to mourn her passing are her beloved husband, Mr. Gustave Grimm, two daughters, Mrs. Mabel Genrich, Mrs. Bella Rannon, four sons, Lewis, Herbert, Edward and Clarence, and four grandchildren.

Funeral services were held Wednesday, April 26, from St. Paul's Lutheran church, Rev. J. E. A. Mueller officiating. Interment at Mt. Prospect Lutheran cemetery. Funeral arrangements by Lauterburg and Oehler.

Lute Walt

Lute Walt, of Round Lake, died Sunday morning at the Waukegan hospital. Services were held Tuesday afternoon at 2:30 o'clock from the W. C. Oehler Home for Pioneers. The Rev. George Goebel officiated with interment in Town of Maine cemetery. Walt leaves four daughters and one son.

Nicholas J. Blocks

Nicholas J. Blocks, Buffalo Grove, died Monday and funeral services were held Thursday morning at 9:30 o'clock from St. Mary's church in Buffalo Grove. Mr. Blocks was born August 22, 1866 in Chicago, and has lived on his farm in Buffalo Grove for several years. He was the husband of the late Catherine Blocks, nee Welter. He is survived by Edward N., Joseph P., Helen, Leo P., and Mrs. May Hane. Lauterburg & Oehler had charge of funeral arrangements.

Landmeier Estate
Valued At \$25,000;
Divide Among 5 Children

The late Albert T. Landmeier, of Arlington Heights, who died Feb. 10, left a \$25,000 estate which he divided among his five children in a rather complicated way, after ordering that the income from a \$5,000 policy be used for the care of his insane wife at Elgin.

He gave his son Franklin, of Arlington Heights and daughter, Mrs. Nona Rideman, of Sioux City, Ia., 38 1/2 acres on Landmeier rd., Elk Grove. Mrs. Erna Mecklenburg of Arlington Heights, another daughter, 30 acres on the same road.

Sons Vernon and Oscar are to divide 84 acres, with Vernon getting 24 acres and Oscar 60 and the homestead. Oscar lives in Arlington Heights and Vernon in Itasca.

Some adjustments are also ordered whereby certain notes due some of the children from their father and also from them to their father are used to equalize the estimated value each gets. Any residue is to be divided between them equally.

Franklin Landmeier is made administrator.

Death Comes As Dreams Of Retirement Appeared On Horizon

The injuries received by Mr. L. T. Rouse in the accident early Saturday morning was so serious that he did not regain consciousness prior to his death, which occurred early Sunday morning. The funeral was held Tuesday morning at nine o'clock at St. James church, Arlington Heights. Interment was in Hillside cemetery.

Mr. Rouse had completed 25 years of service in the construction department of the Commonwealth Edison Co. and had been given a gold watch Feb. 9, 1939, by his fellow employees. Previous to employment with the Edison company, he had spent many years with the Illinois Bell Telephone Co. He was looking forward to retirement from active work and that was one of the reasons why he had become a candidate for village alderman to which office he had been elected four days previous to his death.

Deceased was born in 1877 in Marshall, Mich. He located in Chicago in 1895 and while engaged in construction work in Palatine, he met Miss Blanche Schierding who he married July 17, 1907. Theirs was a happy married life and he felt keenly her death November 30, 1931. Tragedy again came to the family in 1936 when his eldest son, John, was killed in an auto accident.

Since the establishment of St. Theresa church in Palatine, Mr. Rouse became very active in affairs of that church.

There remain two sons, Louis and Frances, two daughters, Mrs. Lillian Taylor and Evelyn; a brother Joe, and two sisters, Mary and Sadie of Libertyville; two grandchildren and Mrs. Lily Schierding, his mother-in-law who was an integral part of the household.

Wills Filed

DES PLAINES
Probate clerk Mitchell C. Robin announces that Peter Fallberg, who died intestate in Des Plaines March 26, left a \$5,000 estate in real estate. His heirs are a son, two daughters, grandson and granddaughter. The son, Frank Fallberg, lives in Des Plaines and

was made administrator. The daughters live in Chicago and the grandchildren in Olivet.

DES PLAINES

Mrs. Louise Fuchssteiner, of Des Plaines, was left a 1/3 share of the residue of the \$4,000 estate of the late George J. Fuchssteiner, who died in Chicago February 23. He left \$1,000 to his widow, Louise is the widow of a deceased son of Mr. Fuchssteiner.

PARK RIDGE

The will of the late Walter R.

Zitzewitz, who died in Park Ridge April 11, disposes of a \$278,500 estate to his family. Of this sum \$225,000 is personal property. He left half to his wife and the other half to be divided between his two daughters, Hedwig McLean and Rita Zitzewitz, all of Park Ridge. His widow and Rita were appointed executrices.

HANOVER

The will of the late Fred Huehl, of Hanover township, who died April 7, has been admitted to probate. He left all his \$17,000 prop-

erty to his widow, Mrs. Mary Huehl, R. F. D. Elgin. A son, Fred W. Huehl, of Elgin, was named executor of the will.

Mary, John and Peter Freeman, of Itasca, were each willed a 1/7th interest in the \$3,500 estate of their grandfather, Holger Haunstrup, who died in Chicago February 11.

Lake Mead's Shore Line

There are over 500 miles of shore line around Lake Mead, back of Boulder dam, the largest artificial lake in the world.

BANKING LOOKS AHEAD

Faith in the Future

In our complex economic system, the element of faith plays a tremendously important part.

Workers, farmers, housewives and business men must have faith in their banks when they bring their deposits for safekeeping.

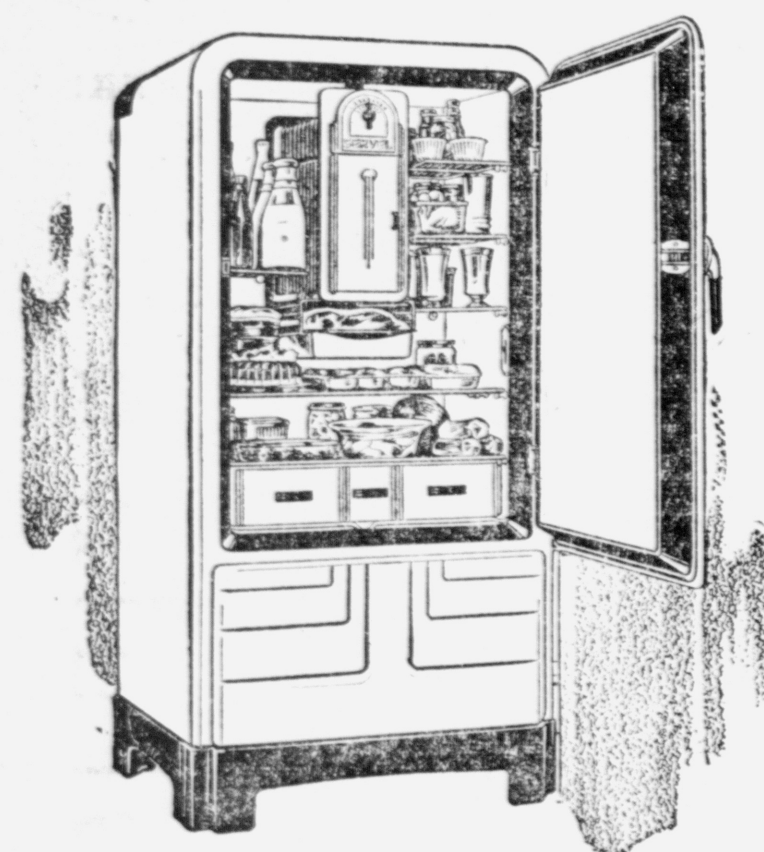

Banks must have faith in individuals and enterprises when they advance credit. Business must have faith in the future before it will incur the risks of expansion and development.

We believe that renewed faith and sincere cooperation on the part of all classes and groups of people will carry our country to new heights of abundance and well being.

Local Musicians In Music Festival At Park Ridge

Four people from Arlington Heights and Paulette will go to Park Ridge Friday night to take part in the third annual Spring Music Festival of the Northwestern Gaiter club, under the supervision of Elmer Herrick. This year's festival is being held at the Community church auditorium and the program, which will include a guitar and accordion band of 56 pieces, will begin promptly at 8 p. m.

Beryl Wayman, Peggy Barnes and Agnes Grune will attend from Arlington Heights, and George Torgensen will attend from Palatine. Other feature numbers besides the complete band selections include the Royal Ambassador Hawaiians of Des Plaines, an Hawaiian quartet which is rapidly gaining a reputation along the Northwestern; the Northwest accordion band; the Four Buckaroos, a hill billy quartet from Hinsdale; a trio from Wheeling including Evelyn Weist, Esther Grandt and Mildred Eichelberg; and numerous other groups and soloists.

Upper Grades To Present Story of Holland

The upper grades of the north school will present the operetta "It Happened in Holland," Friday, May 5, in the auditorium of the north school beginning at 8 o'clock.

The story is that of Julianna, beautiful daughter of a wealthy burgomaster, who, although having every advantage, longs for the carefree ways and freedom of the village girls. In order to attain this freedom on the eve of the festival, she secretly allows a pretty gypsy girl to persuade her to change clothes and homes for just one day.

While disguised as a gypsy, Julianna learns of a plot to destroy her father. In warning the villagers of the impending danger she has difficulty in getting them to believe her since they are convinced that she is a gypsy. Finally she succeeds in making them understand, and together they release the burgomaster.

Proceeds will be used to apply toward the purchase of a sound movie machine for use in the public schools.

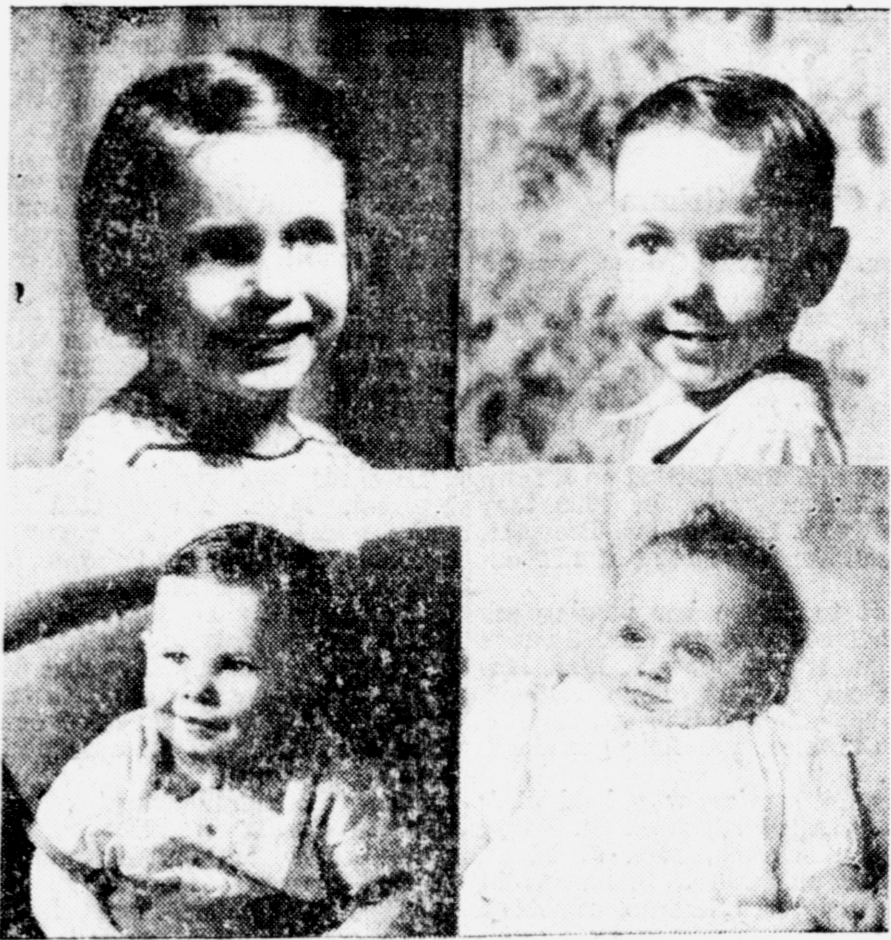

The following people will take part in the operetta:

Julianna—Jacquelyn Jahrling.
Mijnheer Meistermeerd—Don Pecters.
Gypsy Jane—Jeanette Vetter.
Arlene—Dolores Bernard.
Katrina—Dolores Held.
Hulda—Patricia Groves.
Gypsy Josh—Royce McWharther.
Peter—Paul Merrill.
Jan—Ray Atkinson.
Gertrude—Marilyn Bishop.
Mijnheer Katz—Tom Coleman.
Hans—Harry Smart.
1st Gypsy—Dorothy Morici.
2nd Gypsy—William Freyermuth.
Four Stalwart Burghers—Joe Joe Morici, Norman Russel, Edward Coughlin, and Nicholas Mayers.
Specialty Dancer (Dutch)—Barbara Barrett.
Specialty Dancer (Gypsy)—Lorraine Easton.
Gypsy Chorus—Vivian Masny, Joe Otto, Bob Williams, Carol McWharther, Pamela Allen, Rose Mary Heller, Evelyn Bencie, Vernon Sauer.
Dutch Chorus—Anita Allen, Pauline Russel, Gordon Johnson, Beverly Pink, George Gaare, Barbara Wendt, Peggy Bowlin, Bernette Carlson, Barbara Cooper, Martha Van't Hof, Eugene Strokor, Bill Williams, Walter Dick, James Scott, Junior Magnus.

Attend PEO Convention

Mrs. C. H. Mills and Mrs. Warren Fellingham, as delegates accompanied by Mrs. Homer J. Byrd, left Chicago on a special train for Rock Island Tuesday morning to attend the state convention of the P. E. O. Sisterhood. Palatine delegates are Mrs. S. R. Paddock and Mrs. Wm. Slover.

Introducing Arlington Heights Little Folks

This paper is presenting this week the first of weekly pictures of little folks in Arlington. The photographer started out on his trip about town on South Dunton Street, where he snapped those shown above. Strange to say, all of the above four have blue eyes. Two of them are girls and two are boys. If you do not recognize them here are their names.

Jean, 5 1/2 years old, is the smiling miss shown in the upper left. She is the daughter of Mr. and Mrs. E. D. Bates, 413 S. Dunton. She has brown hair.

"Sonny Boy" is the lad on the upper right. He is four years old and was on good behavior when this picture was taken. His parents are Mr. and Mrs. J. A. Garms, 25 South Dunton.

Duane is the name that the 15 months old boy in lower left, answers to when dad and mother call, which is rather frequently. He is ready for almost anything. His parents are Mr. and Mrs. O. P. Neville, 438 S. Dunton.

A group of snap shots would not be complete without a baby picture. Here she is, Carol, three months old, daughter of Mr. and Mrs. H. C. Frost, 202 S. Dunton.

Other pictures will appear week after week. The staff photographer expects to visit all communities served by the Paddock publications.

Delegates Attend P.T.A. Convention

The Illinois Congress of Parents and Teachers met in convention in the hotel Stevens on April 18, 19, and 20, last week. Mrs. Lex Volz, the president elect for next year, attended as a delegate; other members of the association who attended were Mrs. Collins, Mrs. Oden and Mrs. Jarvis.

The convention theme for this year was "Responsibility walks hand in hand with capacity and power."

On Tuesday evening a forum was held on "What Are the Capacities and Powers of Education?" This was led by Eugene Lawler, associate professor of Education of Northwestern University, Frank N. Freeman, department of Education of University of Chicago and Irving F. Pearson, executive secretary, Illinois Education association, Springfield and D. E. Lindstrom, rural sociology, Department of Agricultural Economics, University of Illinois, Urbana.

Dr. Albert Edward Wiggam of New York City gave a splendid address Wednesday evening on "Who Shall Inherit the Earth?" Dr. Wiggam said that the United States has entered a period of population decline. Within twenty years it will require scientific study to fit our factories, transportation and schools to the size of our population.

There is no cause for alarm he asserted, provided we can bring about economic conditions and social, ethical and religious ideals that will enable people who can create good homes to rear as many children as they wish.

At the Thursday evening session, Dr. Harold D. Meyer, chairman of the department of Sociology University of North Carolina, Chapel Hill, N. C., talked on "Social Responsibility in a Democracy."

Many other splendid speakers appeared at the afternoon and morning sessions of the convention. Mrs. Volz will give her report at the next meeting of the local P.T.A.

Movie 'Recovery' To Be Shown At St. John's Church

The movie, "Recovery," will be shown in St. John Evangelical church by a representative of the Elgin State Hospital this Sunday evening at eight o'clock. Indicated by its title, this movie will reveal the methods of mental therapy in that institution. The public is cordially invited. Free will offering will be made.

Mothers Day Program

Arlington Heights O. E. S. will have a special Mother's Day program at its next meeting, May 11. Worthy matron, Miss Lydia Hausam and Worthy Patron, Frank Hausam, were in the cast at Wheeling Chapter Tuesday evening.

Welcome Club Entertains New Church Members

The Welcome Club of St. Peter's Evangelical Lutheran church entertained a crowd of 150 at their second annual dinner last Friday, when they played host to the new members of the church. The dinner was free of charge to the guests and they were royally entertained afterward with a variety of games, during which everybody got acquainted with everybody else.

Music was furnished by pupils of Elmer Herrick, well known local guitar and accordion teacher. The Royal Ambassador Hawaiians, an amateur group of four guitarists from Des Plaines, played while the guests were taking their seats and then again later when they went up stairs to play games. The four included Mildred Lutz, Jeanette Jensen, Robert Herzog and Raymond Galtich. While the dishes were being cleared Eugene Grewe, also of Des Plaines, played several accordion solos.

The entire evening was under the supervision of Mrs. Floyd Burns, who was committee chairman, and the evident enjoyment of everyone who attended was proof enough of the splendid preparation she had made. Other members of the committee who contributed greatly to the success of the evening included Mrs. Ray Landmeier, Mrs. J. McLean, Mrs. Ed. Timmerman, Mrs. Elmer Herrick, and Mrs. Ralph Meyer.

Bernard Brehms Celebrate Their 25th Anniversary

Mr. and Mrs. Bernard Brehm, 511 E. Euclid ave., were completely surprised Saturday evening when a large company of relatives and friends came in prepared to give them an anniversary party in honor of their 25 years of marriage.

A gift symbolic of the occasion was presented with congratulations to Mr. and Mrs. Brehm, a beautiful set of silverware with 12 of each article. Music for dancing old time and modern, was given by Miss Adele Roth and Mr. Otto Obrest accordionists, was enjoyed.

Among the guests were friends from Chicago, Evanston, Gurnee, Libertyville, Buffalo Grove and Arlington Heights, including the following: Mr. and Mrs. Henry Roth and family, Mrs. Leona Leisberger and family, Mr. and Mrs. Oswald Weidner and family, Mrs. Harry Obrest and family, Mr. and Mrs. Rudy Weidner and family, Mr. and Mrs. Alfred Weidner and family, Mr. and Mrs. Otto Weidner, Mr. John Nickel, Mr. J. Bauer, Mr. Clarence Schuetz and other guests calling to offer congratulations to Mr. and Mrs. Bernard Brehm on this, their silver wedding day.

Club Calendar

Methodist Mother's club mother and daughter banquet, May 3 at church.
Arlington Heights Fellowship club party May 4, Presbyterian hall, 8:15 p. m., 35c.
High school band spring festival April 28, at high school.

BOOK NOOK

Mrs. B. G. Baxter, local librarian and Mrs. H. A. Ashton, a member of the library board, attended the state convention of the Ill. Library Association in Evanston at the Main library last Friday. Lunch was enjoyed at the Orrington hotel, where they were greeted by the Mayor of Evanston and the State Librarian. At the afternoon session, Dr. Wm. Bailey of Northwestern University talked on "The Rating of Libraries Among Communities Activities."

Among the new books in the local library are: The Runaway, Kathleen Norris; American Earth, Carleton Beals; Beware of Pity, Stefan Zweig; The Thibaults, Martin de Gard.

Dr. Fairchild's book "The World is My Garden" is accepted as one of our best books. In fact it has been noted by publishers as "the find of the year." One can enjoy it as an adventure story, a biography or for scientific exploration. A Fairchild's story of his life is irrefragable, every word of his remarkable personal record literally teems with interest. More than the autobiography of a man, it is literally the story of the search of the things men live by.

It is as good as a novel—or indeed far better than most and as a biography, is something completely fresh, something we have not had before.

Rummage Sale
The O. E. S. chapter will hold a rummage sale May 13 at the Presbyterian Parish hall.

In the Berry Family
Blueberry, huckleberry, and bilberry are names variously and contradictorily applied in different localities to certain species of Vaccinium. By New England custom those of bluish color are popularly known as blueberries, while those that are black or nearly black are called huckleberries.

Why It Is Eternal City
The Roman citizens called Rome the Eternal City because they thought that no matter what happened in the world, no matter how many other empires might rise and fall, Rome would go on forever. In Vergil's Aeneid Jupiter tells Venus that he will give the Romans an eternal empire.

Epworth Leagues To Hold 50th Anniversary Banquet

Under a tree in Cleveland, Ohio, fifty years ago on the 15th of May, the Methodist young people held their first meetings and so was born the national youth organization known as Epworth League.

To commemorate this memorable occasion the Lake Shore Sub District of Epworth Leagues will hold an anniversary banquet at the Libertyville Methodist church on May 15 at 7 o'clock.

The Reverend Clifford Newham, better known as "Pop," Past or Covenant Church, Evanston, will be the speaker of the evening.

This banquet will also be a reunion for "old timers" so young and old are urged to attend.

Reservations must be in by May 7 and tickets may be secured from James Jirak, Arlington Heights, or Mrs. Florence Parkhurst, Palatine.

Goats Have Their Musical Moments Too!

Soothing symphonies are a regular part of the daily program in the life of the thoroughbred Toggenburg goats at the new Prescription Goat Dairy, operated by Kendall King and Roy Weis. On a pretty woodland estate, three and a half miles from Lake Zurich, the aristocratic goats have a new home, equipped with modern conveniences.

These aren't ordinary goats. They came to the Prescription Goat Dairy in passenger cars and apparently are aware of their distinction. The enterprising Kendall King and Roy Weis appreciated the artistic temperament of these fine animals and induced them to produce more by milking them to music. In the immaculately clean dairy, with its cool white walls and iron stanchions, the goats live a pleasant and harmonious life. They are milked daily, in a separate room, accompanied by the music of the masters.

Deliveries of the sweet, rich milk are being made to homes in all towns between Elgin and Evanston, as well as to doctors, hospitals, clinics and prescription druggists. The Prescription Goat Dairy, three and a half miles east of Lake Zurich, is near the northeast corner of the Kildeer country club and has ample parking space. If you've never tried goat's milk, you have a pleasant surprise awaiting you.—Adv.

It Happened Here

YOUNG APRIL

The fashion in girls has changed, they say.

Since you were young, or I, But April behaves in the selfsame way.

Half daintily bold, half shy.

She is crisp and keen as the morning frost.

She is sweet as the maple's sap, And once you have seen her, man!

You're lost.

Her fickle ways are a trap.

Beware of her tears, beware of her smile!

She will lure you and make you forget.

That youth's been gone this long while.

Boy and girl you'll be footing it yet!

S'Amuser.

DR. DESRIE L. JEROME

400 EYES OR TWO?

Nature has developed the eye with two things in mind—the necessity of obtaining food and for escaping from enemies.

Different kinds of animals, of course, have to lead vastly different kinds of lives. Birds, for instance, can see such small things as worms, or grains of food at a distance of yards. They can focus their eyes more quickly than human beings. As creatures of swift motion, they need to avoid collisions with trees and other birds in split seconds of time. Yet birds are not able to distinguish color as well as human beings, nor can they ever learn to read.

Most insects and some of the crustaceans, animals like the lobster, shrimp and crab, have what are called compound eyes. These are clusters of simple, individual eyes brought together in one head, with a facet for each simple eye. The common housefly has two compound eyes with about 400 simple eyes in each. These eyes cannot be focused and are better for seeing motion than they are for still objects.

Such sight would not be helpful for human beings because the advantages of the compound eye are possessed already by the marvelously developed human eyes.

Hillside News

by ANNETTE HANSON

The Wilson P.T.A. are planning a dance to be held May 20, at Rand Tower. The tickets are now on sale and may be purchased from some of the members. The proceeds will be used to erect a playground for the Wilson school.

The girls at the Point, in Des Plaines, held a linen shower for Miss Jean Durband, who will be married April 29 to Joe Gluth of Chicago. A personal shower was also given Jean by her aunt in Evanston. 35 guests were present and Jean received some lovely and useful gifts.

Mr. and Mrs. U. Oliger were hosts to Mrs. Theodore Brecken and Miss Esther Hartley of Chicago, last week-end. Mrs. Brecken is a sister of Mr. Oliger.

Eddie Durband is home from the hospital where he underwent an operation for appendicitis. We are glad to hear Eddie is recovering rapidly.

Mrs. Elizabeth Barnes took the little Mattingly boy to a clinic in West Chicago, where he was given a thorough examination by a specialist and according to Mrs. Barnes' report, an operation was advised by the specialist.

Mr. and Mrs. Harry Clark entertained a group of their friends last Saturday night. A delightful evening was spent playing games and cards after which a delicious mid-night luncheon was served.

The "500" club met at the home of Mrs. John Malton last Tuesday. After the game a delicious luncheon was served. Next week the "500" club will meet at the home of Mrs. Sydney Bradbury.

Wilson School News

On Friday, April 14, we had Clean-Up and Arbor day. We cleaned up the rooms and planted three lilac bushes.

We added five new books to our library. They are, Peter and Nancy in Mexico, Peter and Nancy in Australia, Story Pictures of Transportation, Story Pictures of Our Neighbors, Story Pictures of Clothing.

The last three books mentioned were written by Mr. John Y. Beatty of Arlington Heights.

Last Wednesday our school attended a puppet show in the gymnasium of the Wheeling school. It was given by the Red Cross and was to teach us the value and right kind of care of our teeth.

Robert Guenther, Chairman

THANKS THE VOTERS

I want to take this opportunity to personally thank all of the people of Arlington Heights who, through their consideration and effort, made it possible for me as a new candidate to make a very gratifying showing in the recent election of village trustee. I also wish to congratulate the candidates who were elected wishing them a very happy and successful term in office.

Otto Schwartz.

THANKS VOTERS

To my good neighbors and friends who so loyally supported me at the election on Tuesday, I wish to extend my sincerest thanks and appreciation.

Edward Fritz.

THANKS VOTERS

Thank you friends and neighbors. I want to take this opportunity in thanking the voters of Arlington Heights for the fine support given me at the recent village election. I will serve you to the best of my ability.

Albert J. Adam.

Spring Excesses

By C. W. Lussman
of Sieburg Pharmacy

There are certain excesses which derive from spring weather, from change in scene, radical change in diet, the matter of drinking water, certain tempting and abundant fruits, which lead to one of the most distressing and devastating disorders — dysentery.

Never change your mode of living sharply, without consulting your family physician. Learn what you may or may not do during the warmer weather.

His advice may contain a prescription to prevent, or to remedy dysentery. Follow it exactly. Have his prescription filled by a capable druggist whom you trust.

News of Yesterday...

15 Years
Ago—1924

FRIDAY, MAY 2, 1924

Arlington Heights

Mrs. C. H. Watson recently returned from visiting her daughter, Mrs. Willard Kates at Philadelphia.

Born a son, April 16, to Mr. and Mrs. Fred Wickenkamp.

Mrs. H. C. Landeck and daughter, Lorraine, are visiting her brother, sisters and other relatives and friends at Chenoa, Ill., two weeks.

Born a son to Mr. and Mrs. Ed. Brockman, April 15.

Itasca

Mr. John Louhrer was an Itasca visitor last week.

Mr. Arthur Workman, son of Mrs. Frederick, died in Chicago, April 24, after a lingering illness.

Mr. and Mrs. Frank Snyder and four sturdy brothers heartily welcomed little Miss Alice Snyder, who arrived at their home Monday, April 28.

Lorraine Speckman celebrated her birthday by visiting school the first time since her serious illness.

Roselle

Mr. and Mrs. Kelso announce the birth of a daughter on Sunday, April 27.

The Fishing Club will make their first trip this season next Saturday.

Mr. and Mrs. H. F. Druell announce the engagement of their daughter, Clara, to Otto Bokeman.

A baby girl arrived at the home of Myron Kelsey, Sunday evening, Bensenville.

Mr. Herman Wagner, Sr., has been ill several days.

Miss Florence Jannell has returned from the hospital and is teaching school again after having had her tonsils removed.

Mrs. Fred Dierking died at the home of a relative in Chicago Monday.

Rev. and Mrs. Plasmann visited at the Fred Marshall family Monday afternoon.

Palatine

Mr. Robert Frank Mix, who was born in Palatine in 1854 and who occupied a prominent place in Chicago business world many years, was brought back to the town of his birth and laid to rest in the family lot in Hillside cemetery last Sunday.

Lea Swick left Tuesday evening for Hastings, Neb., for a baseball tryout.

Bernice Wente is among the chicken pox victims.

Richard Taylor and family of Lena, Ill., were Palatine visitors Sunday.

Word comes from Iowa that Dr. Chester Branigan, who is a U. S. government veterinarian, has been sent to California, where the hoof and mouth disease is so prevalent.

A son was born to Mr. and Mrs. Albert Schwolow Monday.

Continents Really Close

Remote as Asia seems from North America, the two continents are only 36 miles apart across the Bering strait. Europe is even closer to Africa, the distance across the strait between the southern point of Spain and Africa being only 8½ miles.

DON'T

FRIDAY, MAY 7, 1909

Arlington Heights

Mrs. Piepenbrink's youngest son died Saturday; funeral was Monday.

Mr. Burch Young, accompanied by his grandson, Lloyd Miller, left for Omaha, Neb., Thursday.

Miss Emma Goedke and Mr. John Freiwald were united in marriage at the bride's home Saturday evening.

Mr. Joseph Wayman, who has been quite sick, is improving and was able to be down town for the first time Tuesday.

F. W. Allen, who expects his family to arrive from England soon, moved this week from the W. W. Guild house to the Wilke house on Euclid ave.

Palatine

Frank Shadle of Everly, Ia., was a visitor at C. W. Shadle's this week.

J. Jappa has moved his jewelry store to the second floor of the Schering building.

F. W. Thies moved this week to Chicago and Chas. Barbaras has moved into the house vacated by him.

Mrs. E. R. Converse has been a very sick woman with typhoid pneumonia, but are pleased to say is now on the gain.

Roy Loomis arrived in town Monday direct from Oklahoma.

Roselle

Paul Junge is entertaining people with the latest songs and music on his accordion.

A large number of relatives helped Mrs. Louis Biesner celebrate her birthday Sunday afternoon.

Mayor Scherring has rented one of his cottages to teacher Dehn, who will occupy it as soon as completed after July 1.

Charlie, son of E. G. Heim of Rodenburg, who had been an invalid several years, died Sunday in his 23rd year.

Mr. Conrad Biesterfeld was appointed street commissioner by Mayor Sherring Monday evening.

Hanover

Willie Jakob was a pleasant visitor of his friend, John Ditter, Sunday.

Louis Hake's milk house was blown over by a storm April 29, but little damaged.

Ike Blum is conducting the old Hartlett stand at Palatine.

Bensenville

H. F. Hornbuckle is serving on the petit jury at Wheaton.

Emil Urban, better known as Joe Gans, is working for H. Cosack in the creamery.

Mr. and Mrs. Henry Ernsting celebrated their 25th wedding anniversary Saturday, May 1.

Wm. Koebelman of Bensenville and Miss Gertrude Mickleit of Downers Grove were married Saturday afternoon, May 1, at 5 p. m.

Marriage Licenses

Licensed in Chicago: Alfred Oehelking, 27, Mt. Prospect, and Dorothy Engelking, 21, Roselle.

Edward M. Beier, 23, Glenview, and Dorothea Sullivan, 22, Niles Center.

Paul R. Zidek, 23, and Leona Jensen, 21, both Barrington.

Ross R. Norton, 23, and Hazel Sloneen, 21, both Glenview.

Lymen V. Gallup, 23, and Beula Hixon, 22, both Des Plaines.

Arnold F. Scharringhausen, 50, Arlington Heights and Myrtle Geisler, 25, Chicago.

Karloff Rescued From Guillotine

James Stephenson, who plays the cruel commandant of the penal colony in "Devil's Island," the Warner Bros. picture at the Palatine Theatre Friday and Saturday, was cut severely on the hands while the picture was being filmed. The accident occurred during the rehearsal of a guillotine scene in which Boris Karloff, on the guillotine, was supposed to be saved from death by a soldier who thrust his rifle into the death machine to halt the descending blade just in time.

Because of the nature of the scene, which required the metallic sound of the blade striking the gun, a real steel blade had to be used in the guillotine. Safety stops had been inserted to stop the blade in case of mishap.

Stephenson, standing close to the guillotine, saw the safety stops give way and quickly grabbed the blade, which fortunately had a dulled edge, preventing it from descending on Karloff's neck. He was rushed to an emergency hospital, and after treatment for severe cuts on his hand, he was taken to his home. It was almost a week before the cuts had healed sufficiently to permit him to return to work.

'Putting On The Ritz'

Clark Gable and the Glamour Girls in "Idiot's Delight"

Clark Gable's song-and-dance rendition of "Puttin' on the Ritz," together with his six "Glamour Girls," is one of the high spots of "Idiot's Delight" in which he is co-starred Sunday and Monday on the Arlington screen with Norma Shearer. The girls, known in the film as "Les Blondes," comprise Virginia Grey, Lorraine Krueger, Paula Stone, Virginia Dale, Joan Marsh and Bernadine Hayes.

Eighteen Schools In 7th Annual Palatine Relays This Sat.

Mac Says by GERALD A. MC ELROY

Second in Du Page County

The Du Page County meet emphasized the fact that Naperville will win the Palatine Relays. Harshbarger's team won 20 places out of a possible 70 in the meet which had eight schools entered. Naperville placed at least one man in every event except the mile. They lost with 61 points to York with 64½. Four of the schools in the meet are members of the West Suburban league.

Lose Good Man

In spite of Naperville's strength we expect Lake Forest to pile up a lot of points with O'Hara, Martin and Anderson, really outstanding men in anyone's meet. Lake Forest will be greatly weakened by the loss of Peschman, last year's 100-yard dash champ, who was operated on for appendicitis last week.

ONE MAN TRACK TEAM

Lake Forest has a whole track team in one man, Don O'Hara, if recent meets with Libertyville, Arlington and Waukegan are any indication. Last week Wednesday at Waukegan the big Lake Forest Irishman copped five firsts for 25 points as his team won a 68-49 victory. He duplicated the feat on Saturday against Arlington. His victories were in the high hurdles, high jump, broad jump, 100 yard dash and javelin throw. Against Libertyville in scoring 18 points O'Hara also placed in five events. Martin is an able assistant in piling up points for the Gold Coasters. In his events, the broad jump, discus, shot, and 440, he scored 14 points against Libertyville and 11 against Waukegan.

WATCH OUT FOR HOSS

In a triangular meet at Crystal Lake last Wednesday, Hoss of Arlington, made marks which entitles him to consideration as a possible Palatine Relays winner in two of the weight events. Hoss put the shot 45 feet 1¼ inches and tossed the discus 129 feet. The only event in the meet which he did better at was the Decidue of Naperville who put the shot 46 feet 3 inches and Galbrecht, also of Naperville, who made a mark of 138 feet 6 inches in the discus in the DuPage county meet last Saturday.

Crystal Lake's well balanced squad scored 86½ points to win the triangular with Arlington taking 58½ and Harvard 14. The boys who are rated as best bets to cop places at Palatine Saturday are Wilson in the mile, Peters in the dashes and Vynalek in the hurdles.

NEW ENTRANCE TO FIELD

Fans who attend the finals of Palatine Relays this year will find it necessary to enter the field from the north side instead of by way of the building. A gate has been constructed on the north side and spectators will find an enclosure and events except the high jump and pole vault will be completed in the bleacher accommodations provided.

This year the finals of the field events except the high jump and pole vault will be completed in the morning in order that attention may be centered on the events which take place on the track or in front of the bleachers. All events are planned to finish at the west end of the straight-away in full view of everyone.

WHAT RECORDS WILL BE BROKEN?

In Saturday's meet it seems certain that several records will go into the discard. One possibility is the high hurdles which O'Hara of Lake Forest has run in better than the Palatine record on several occasions. The 440 mark of 53.4 set by Folkman last year may also fall. Kreger and Bauer of Naperville ran nearly that well at Wheaton Saturday. Several Class A relay marks are also in serious danger with Naperville, Lake Forest, and Libertyville the best bets to crack them. The 220 and broad jump marks may also be threatened.

BEST RECORD AT PALATINE RELAYS

The discus being used as official for high schools this year is smaller and lighter and easier to throw. In spite of this we are not expecting anyone to equal Eddie Hahnefeld's mark of 145 feet 6 inches made at the 1935 Palatine Relays. In our opinion that mark is the outstanding one of the Palatine Relays record list. It is the best mark ever made in Illinois by a high school boy and since the size of the discus is changed it will go down as the best of all time for a high school boy throwing a college size discus. The mark by the way is four feet farther than the new state meet record established last year.

BRONCHO MAKES GOOD

Stout, one of Coach Clark's former track athletes at Barrington, is performing well as a member of the University of Illinois team. He was a consistent scorer in the pole vault during the indoor season and last Saturday captured points in pole vault, broad jump and javelin to give the Illini much needed counters as they were soundly licked by Michigan 88-38.

SUBSTITUTE SOFTBALL

Instead of playing baseball LaGrange high school has started an intramural softball program with 160 boys lined up on teams which will play Mondays and Thursdays on four diamonds. The idea is going over with a bang according to reports.

Naperville And Geneva Favorites In Class A and B

Bensenville Has Strong Squad To Upset B Division

Eighteen schools will compete for two trophies and 137 medals in the seventh annual Palatine relays to be held at the Palatine township high school this Saturday. The meet is limited to schools under 600 enrollment and is divided into A and B classes with 300 the dividing line. All the regular track and field events are run off in open competition. The relays are run in classes.

Last year's winners, Naperville in the A class and Geneva in the B class, are favorites to repeat. Bensenville appears strong among the B teams while Lake Forest, Libertyville, Crystal Lake, and Harlem of Rockford have good men in the A division. The meet has been won twice by Arlington Heights, Libertyville, and Naperville.

Preliminaries of the meet will be held at 9:30 in the morning with the finals of the track events and

the afternoon program which starts at 2:00.

Last year's winners returning to

this year's meet are Folkman, record

holder in the 440 from Arlington;

McCauley, 880 yard run winner from

Harlem; O'Hara, double

winner in high hurdles and 220

yard dash from Lake Forest; and

Zacco of Geneva who set a record of

six feet two inches in the high

jump.

Earl Neary of Waukegan who has

served as starter for the Lake

county meet for many years has

been employed to start the runners

at Palatine Saturday.

Preparations are being made to

handle a big crowd. Bleachers have

been rented for the occasion. All

events on the program will finish

at the same point on the track in

full view of the stands. Lunch

will be served at the school cafeterias

at noon for teams and spectators

at a reasonable price.

Schools entered in the class A

division are Arlington Heights

Argo, Batavia, Crystal Lake, Lake

Forest, Leyden, Libertyville, Naperville,

Harlem of Rockford, and Woodstock.

Class B entries are Bensenville,

Barrington, Bensenville, Grant of

Fox Lake, Geneva, Marengo, McHenry,

Palatine, and West Chicago.

Six Teams Sign Up For Softball Play In Arlington Heights

Preliminary plans for the 1939

edition of the Arlington Heights

softball league were made Friday

night in a meeting at Gaare's sales

room. At least six teams and possibly

eight will be included this year.

Plans call for two rounds of

play, with a three-game play-off

afterward for the season's championship.

The twelve inch ball will be

used again, with the fast-pitching

rule in effect.

Decision on the question of allowing

the bunt this year was postponed

until the final meeting.

A team trophy will be awarded

as usual, and there will be two individual

trophies, one for value to team and one for sportsmanship.

The managers will select the winners

of the individual trophies at the close of the season.

The annual meeting will be held

at Gaare's sales room on Friday,

May 5 at 8:00 p. m. If additional

teams are interested in entering

the league, managers should get in

touch either with Gus Heidorn or

Ray Hayes, or should attend the

final meeting.

Cards Are No 'Mudders'; Lose In Three Meets

Arlington Field Under Water Prevents Track Practice

Finals scores in three meets were as follows: Crystal Lake 86½, Arlington 58½, Harvard 14. Lake Forest (First teams) 77, Arlington 32 1-3.

No practice, but three track meets. That is the record of the Arlington Heights "thinlyclads" these past ten days. And as could be expected they succumbed to their opponents in all three meets. While the Arlington field has been under water, Crystal Lake and Lake Forest, their two main opponents, have been working out regularly on their cinder tracks. Lake Forest has also a small indoor track on which to work. Consequently both squads are much further along in their training than Arlington. Harvard, competing at Crystal Lake, is in the same boat at Arlington.

Even after the hard rains both the Crystal Lake and Lake Forest tracks were in excellent shape for the two meets and some creditable times were made at both places.

To further complicate matters Capt. Vance Folkman was unable to compete in the Crystal Lake meet, and Milligan, Heinze, and Gehring were not present for the Lake Forest event. All four of these boys have been scoring regularly.

Bernie Hoss has led the Cardinals in their scoring, winning his specialties, the shot and discus, each time. Mel Rohling duplicated a 24.1 time in the 220 at each meet. At Lake Forest, John Heideaman paced off a 2:12.2 half mile, having clipped considerable off his previous two times this year. Vance Folkman ran a 54.7 quarter to finish a yard in front of Martin, Lake Forest's crack runner.

However, the best competitor of the meets was O'Hara of Lake Forest. In fact it was Arlington against O'Hara rather than Lake Forest.

Their star athlete was permitted to compete in five events, and won them all handily. In addition to this, running anchor on the relay team, he came from behind to win, so in reality he copped thirty points for the Lakers.
